Hello Angelina,

Welcome to your Intimate Lover interpretation, please check that the birth details are correct.

This explicit and honest look at an individual's sensuality and their capacity to indulge their sexual fantasies is based on interpretations of the planets and the relationships they form within your horoscope.

The interpretation of the Sun's position signifies what making loves means to you. The Moon's position indicates the way you 'perform' each time you make love. Mercury tells us your thoughts and self-expression when making love. Venus determines what you value and need most in your lovemaking. Mars helps you understand the driving force of your sexuality. Jupiter indicates your capacity and desire for lovemaking. Saturn lets you know where you feel most awkward or inhibited. The other planets Uranus, Neptune and Pluto signify generational aspirations.

The interactions between the planets within your birth chart are called 'Aspects'. These are given a Star Rating from one to five to show their relative importance in your Intimate Lover Profile. To the right of each pair of 'aspect' symbols is a group of five stars ★☆☆☆☆; the more dark stars there are the stronger the connection. The keys to the planets, the other symbols and terms used are given at the back of the report.

Intimate Lover Interpretation

Your birth chart shows the exact positions of the planets at your time of birth. It also tells you the sign of the Zodiac that was rising at your time of birth, known as your 'ascendant', which indicates your style of lovemaking. How the planetary positions of your birth chart relate to each other are interpreted on the following pages outlining your potential sexual development. The interpretation begins with your overall sexual nature and temperament.

Angelina's sexual nature

Angelina's energy level

You approach your sex life in an active and dynamic way, able to take the initiative. You react outwardly (and often spontaneously) and believe in solving dilemmas through action. You may be inclined to have a hot temperament and it's not difficult for you to be either passionate or get upset - but you calm down just as easily.

Angelina's dependability

You may easily lose stability and balance in your sex life. You have difficulty in getting things to function in a practical sense, not finding it easy to get solid results for your efforts. You also display a tendency to neglect your physical needs and should put your nourishment, relaxation and warmth in order.

Angelina's sexual temperament

Angelina's capabilities

You have an enterprising, direct approach and are quick to exploit any openings, but sometimes are lacking in subtlety. Both mentally and physically full of vitality, you constantly strive towards the object of your desire.

Angelina's consistency

Your lack of aptitude for attentiveness and restraint may be somewhat exasperating. Having any sense of assurance and stability does not come easily for you.

AS

Rising Sign

Angelina's love-making style

How others see you - the first impression you give.

AS in ♎

Strong and determined

You have a hard time choosing a lover and like to be sure of your partner's commitment beforehand. Once you are involved, you are strong, determined and take great care of your partner, holding them in high regard, which is sometimes difficult for them to live up to. However, you can be overly sensitive, taking everything to heart and are therefore likely to be easily hurt.

Alternative Rising Sign?

Your Ascendant falls near the cusp of the following Sign. So if your Birth Time is possibly up to an hour or so later than what you have given it as, you could have a Leo Ascendant.

AS in ♈

Physical

Playful and affectionate, open and honest with a strong physical sex drive that needs satisfying. Your sunny temperament may disguise the true nature of your feelings, as emotional commitment for you is determined by the overall impression you have of your lover - not just their lovemaking skills.

AS ♋ ☉ ★★★★★☆

Look before you leap

Your timing is often slightly awry; it's difficult for you to get it right. You should pay more careful attention to your partner's needs and look for the cues that are often given - before asserting yourself sexually.

AS ♋ ♀ ★★★★★★

Noticeable

Physically eye-catching, you're able to use your looks to best advantage; you love your own body - and let every one know it! You have an effective, sensuous touch that not only draws a lover to you, but which simultaneously enflames passion.

AS ♋ ☿ ★★★★★★

Bizarre

You can be attracted to unusual sex and partners - sometimes unwisely. Impatience can lead to bad decisions that are far too way out. Try exercising a bit of self-control.

The Sun

What making love means to Angelina

How you express yourself as an individual.

Stimulating

You can easily become bored so you therefore need (and like) lots of variety, including actively trying out new techniques - both oral and manual. Sex is not to be taken seriously; it's a fun way to communicate and should be just as mentally stimulating as physically pleasurable. Delicate flights of fancy are preferable to hot and heavy passionate scenes. Real love comes through friendship not just sex. You are not happy with the heavy demands of partners and should avoid jealous lovers. You yearn to be free and are very easy going.

11th house

Your hopes, wishes and friends; the kind of people you are attracted to.

in 11th House

Desirable

You're eminently attractive to those you encounter and search out partners of social standing. Your lover should also share your sociable nature. Please don't neglect those who have stood by you - they should be treasured not ignored or forgotten.

Promising

Inner assurance, confident and secure; you are someone who can be relied upon to resolve any difficult situation. It's more than likely that you'll attract satisfactory partners too. When it comes to sex you flourish and are well balanced.

Uninhibited

Your unrestrained enthusiasm can lead to over eagerness when trying to impress those you desire. You need to evaluate the overall situation more cautiously.

Vigorous

Full of energy that doesn't wane, you're physically robust and able to keep it up. You're likely to give just enough and keep on going for as long as required.

Too hot to handle

You're an impetuous, erratic love-maker who seeks new and original themes for sex that sometimes verge on the extreme. It's essential that there's a steadying hand within the partnership to take a firm grip of the situation so that positive experiments may ensue.

Open to suggestion

It's difficult for you to convey your exact wishes as you often have unrealistic requirements and needs, so you sometimes fall quite helplessly into bad scenes without being aware of it until it's too late.

Capable

You are not easily shaken; confidence exudes from a deep well of self-sufficiency that can take charge when necessary. Even if situations get out of control you're able to come up with the required solution often as not.

The Moon

The way you 'perform' when you make love

Your immediate reactions; your emotional and compassionate nature.

At the double

When it comes to sex you are quick to react, being able to orgasm and shortly afterwards be ready for more. Once aroused, you are difficult to slow down. Such intensity burns out quickly and you may come too fast for your partner. You need constant new stimulation to keep sex exciting and alive. Without being aware of it you can get over emotionally involved with a partner who is not as eager as you are.

9th house

Your depth of understanding; your more intuitive faculties.

Adventurous

Eternally searching for new horizons to explore, you respond best to a lover who is as adventurous as you are. Every new experience you have together will enrich your level of sexual satisfaction and fuel your fantasies even more.

Full of life

You are energetic; full of life and vitality. When it comes to sex you can be a real go-getter. Easily aroused, you make love at a pace that has little thought for the consequences.

Unwavering

You're a big-hearted and generous lover capable of unstinting love that opens up new realms of emotional expression and boundless sensations.

☾ □ ♃ ★★☆☆☆

Hesitant

Self-conscious, anxious, and sometimes apprehensive, you can miss out on opportunities unnecessarily. A helpful, patient lover who can reveal and help satisfy your repressed longings will improve things greatly.

☾ △ ♃ ★★☆☆☆

Impulsive

You're an approachable, spontaneous partner. Unquestioning as a lover, you're able to achieve your needs because there's no doubt as to what they are; and you're even likely to follow when necessary.

☾ ♀ ♃ ★☆☆☆☆

Control freak

You're liable to use sex to exert power over your partner. You are perfectly capable of controlling your own desires in order to have others do your bidding and for you to be in total command.

☾ ♂ MC ★★☆☆☆

Status

High profile public image that's well liked by everyone. Capable of great empathy with lovers who are sure to be at your beck and call. Loves the limelight.

♀

Mercury

Angelina's thoughts and self expression when making love

Communication skills; how you think and receive information from others.

♀ in ♀

Meaningful

You are a lover who likes to talk about their sexual needs and desires. You are not likely to dwell on any one aspect of lovemaking too long. Talk during sex helps to guide and clarify what is going on and avoids wasted time on sex that you do not find exciting. Your mouth and mind are extra instruments of your sexual pleasure.

♀ in 11th House

Hopeful

You aspire to have, and enjoy, the finest - not for just a night, but forever. You are keen to learn and acquire skills that enhance your technique as a lover and your ultimate pleasure is in cherished and friendly relationships that endure.

♀ △ ♃ ★☆☆☆☆

Inspired

You're imaginative when it comes to lovemaking, likely to try anything to make it happen and content to let it all hang out. You know and say the right thing even in the throws of passion.

Venus

What you value and need most

How you express your emotions within personal relationships.

Devotion

Your passions are not easily or quickly fulfilled; you must have just the right setting for you to dissolve into the arms of your lover. You crave devotion and enveloping love that is all consuming, otherwise, those aching desires and your desperate need for love will not be satisfied.

12th house

Forces that are beyond your control; a higher power or ideal.

in 12th House

Mysterious

Your true desires are a mystery; time and care is needed before committing to a love affair. You enjoy privacy in order to explore the boundless depths of passion, love, pain, anguish and torment that for you, somehow, are exquisitely merged. You're drawn to secret affairs but you shouldn't take them too seriously.

Unconventional

Your far-out needs are hard to satisfy and even when they're fulfilled they don't live up to your expectations. You're a prisoner of sex - with bars and locks of own making.

Mars

The driving force of Angelina's sexuality

Your sex drive, stamina and the way you assert yourself and express your desires.

Energetic

You are a lover who is good at making speedy and decisive moves. You have a highly intense energy level, which can spurt rather hot and quickly, but you can fade as fast as you came. However, you are very easily aroused and can be just as easily satisfied. You need to practice slowing down so you can give your partner the full measure of lingering satisfaction that is yours to give them. If you cannot do it the first time, save some in reserve for next time you make love to them - and make it soon!

in 9th House

Adventurous

An impressive performer, of that there's no doubt, but you can at times be a little lacking in the refinement department. Try to cultivate a mutual understanding, creativity and flair with your lover so that your sex life continues to flourish and freedom of expression is maintained.

♂ ♀ ♃ ★☆☆☆☆

Well equipped

More than equipped for the task you're capable of a long lasting commitment. Lofty aspirations make you a generous and enthusiastic lover who enjoys sex to the full.

♂ ☐ ♃ ★☆☆☆☆

Inhibited

You need to have belief and confidence in your ability to succeed and persevere with your tendency to give up too soon. You must make up your mind about what it is that you desire and then go for it.

♂ △ ♃ ★★★★★

Mysterious

You possess an inexplicable quality that both beguiles and attracts, enveloping your partner with an unidentifiable burning passion that is difficult to be dissuaded from.

♂ ♀ ♃ ★★★★★

Uncontrollable urges

You're unable to your control desires; to the point where care should be exercised and both partners made aware of your leanings towards the enjoyment of rough sex.

♃

Jupiter

Angelina's capacity and desire for love-making

Your sense of fun, optimism and generosity and what you believe in most.

♃ in ♈

Original

You are full of original ideas about lovemaking that swell up to the surface from within you quickly and spontaneously. These bursting urges require your lover's immediate attention and furtive execution. You are not likely to wait for your lover's approval, or want to discuss details, but are more likely to dive in directly, plunging into the thick of things to get fluids flowing before moving on to your next plan.

♃ in 9th House

Sparkling

Ideally sex should be an adventure that opens the mind as well as the body to new and brighter horizons. Good quality sex signifies development, a different approach, (if not partner), bringing new pleasures within reach.

♃ ☐ ♃ ★★★★★

Enough's enough

Pushing things beyond their boundaries can lead to unplanned predicaments. The result? One night stands, awkwardness and confusion could become the norm.

♃ △ ♀ ★☆☆☆☆

Flights of fancy

Your imagination is never ending and your lofty romantic aspiration encompasses all. Mutual understanding of each other's feelings will be required to achieve your dreams.

♄

Saturn

Awkwardness or inhibitions

Your sense of responsibility and lessons you have to learn.

♄ in ♉

Self expression

You may find it difficult to express your feelings openly. Your lover may find you to be somewhat reserved and lacking real emotion, but this is rarely the case. Your feelings run deeper than most, but you do not reveal them until you are sure that they will not be rejected or ridiculed.

♄ in 12th House

Hidden pleasures

On the surface at least, relationships are all too easy for you and you abandon all the risks. But you really should be less tentative about revealing the depths of your innermost desires because they must, ultimately, be exposed and taken in hand for your ultimate pleasure and satisfaction.

♅

Uranus

Inventiveness and spontaneity

Your imagination, initiative and ingenuity.

♅ in ♋

Point of view

Understanding others is important for you because your relationships have resulted in you experiencing some turbulent times. Knowing how others perceive you would also be beneficial.

4th house

Deep inner feelings and habits.

♅ in 4th House

X rated

You feel at ease in unusual or bizarre surroundings and will go all the way in the most unexpected of settings. When involved in a long-term relationship, experimentation could become a big turn on and you could find traditional sex too restricting, but you should resist the temptation to move on as a little breathing space is all that's required.

Neptune

Dreams, fantasies and imagination

Reveals your inner ideals, expectations and creativity.

Reality check

Your opinions about what is an ideal relationship may be clouded. You imagine it should be straightforward and uncomplicated. Rather than expect others to automatically fit your norm, seek those who actually do.

5th house

Where you express yourself freely and without inhibition.

in 5th House

Frivolous

Your high expectations of free love, a fun time being had by all with not a care in the world are often unfulfilled because you tend to become too seriously wrapped up with the lovemaking outcome. A little more fun is all that's required. Enjoy the whole play and not just the final act!

✳️ ♀ ★☆☆☆☆

Certainty

An unrelenting inner energy stimulates fantasy from one phase to the next. Satisfaction is not in the act itself, but in powerful belief.

Pluto

Unconscious depths and intensity

What motivates you.

in ♋

Transformer

You are part of a generation unable to accept things as they are. Intent on improving the equality between the sexes, you will not be content until changes are brought about - regardless of the upheaval that this entails.

3rd house

Your relationship with those close to you.

in 3rd House

Tongue tied

What you have to say about sex is said in a powerful and direct way. This has the necessary effect of inspiring passion in your chosen one, who can in turn satisfy the undoubted expression of your desires.

MC

The Midheaven

Preconceived ideas about Angelina's sexuality

What you can achieve.

MC in ♈

Hot!

Ranked as a hot one, you have a reputation for hasty seduction and can sweep your lovers off their feet with a passionate, hurried embrace. It may be that your reputation is not really deserved but all the same, you have a lot to live up to!
